Dear Sirs

The indents for the Periar Lake Regulator shutters is being forwarded by this weeks mail.

Funds have been provided for expenditure in the current official year ending 31st March 1906. and

the date for completion of the indent, has been fixed for March 15th, so that you may have time to obtain payment in that month.

I am afraid this is not giving you quite as long as you asked but

I trust you will be ~~[illegible]~~ able to see your way, to completing the work within the time allotted. If not, will you please let us know at the earliest possible date, what value of work you will

be able to ship
before the end of
March

I am
yours faithfully
F W H Smyth

Dear Sir,

Periyar Lake Regulator Shutters.

We beg to acknowledge the receipt of your communication of the 17th inst., from which we are glad to note that the indent for the above was forwarded by the same mail.

With regard to delivery of the work, it is just possible that we may be able to complete these Sluices by the middle of March, in which case, the value of the work would be £12,600:0:0, but we think it would be safer not to rely upon more than the whole of the built-in work and half the gates, lifting gear, etc., etc., being shipped by March, the value of which would be approximately £7,250:0:0.

We are, Dear Sir,

Yours very truly,

RANSOMES & RAPIER LIMITED,

Wilfrid Stokes
